

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

There are three things that can be concluded in this research. First, compatibility of stand by me song found in *Kemendikbud* book. This song was incompatibility with curriculum 2013 (KD 3.9 and KD 4.9), because stand by me song is an old song whereas teenager's life now is very more different with teenager's life in the past. Second, compatibility of we shall overcome song found in *Kemendikbud* book. This song was compatibility with curriculum 2013 (KD 3.9 and KD 4.9), because we shall overcome song is an inspirative song for teenager's life now although teenager's life in the past are different with teenager's life now, because teenager have to solve the problem. Last, compatibility of hero song found in *Kemendikbud* book. This song was compatibility with curriculum 2013 (KD 3.9 and KD 4.9), because hero song is an inspirative song for teenager's life now, because teenager have to be hero for themselves to solve all of problem.

B. Suggestion

Based on the previous conclusion, there are three things that can be suggested from this research. First, the compatibility of the English songs in *Kemendikbud* book based on curriculum 2013 in order to related with KD. 3.9 and KD. 4.9. So that, in the real action needed to socialize the compatibility of the English songs in *Kemendikbud* book based on curriculum 2013 (KD 3.9 and KD 4.9) related with teenager's life. This

action can be done by English teacher in guiding the student to understand English songs.

Second, the English songs in Kemendikbud book based on curriculum 2013 (KD 3.9 and KD 4.9) should be compatibility with KI and KD on curriculum 2013. It can give guidance for the teenager to decide the English song that is suitable with them. So that, hope fully this guidance can be applied wisely in English learning so that the student can understand the compatibility of English song on curriculum 2013 (KD 3.9 and KD 4.9). The last, the researcher suggests for the next researchers to explore this research in a wider explanation about compatibility of the English songs in Kemendikbud book based on curriculum 2013 (KD 3.9 and KD 4.9) or other literary works. The researcher analyzed that this research still has several weaknesses in conducting the research. Thus, the researcher expects any critic and suggestion from the readers and also the next researchers to make it better.
