Finally, in this research the researcher drew the conclusion upon the analysis of hyperbole that are used in *When You Believe* and *Hero* lyric by Mariah Carey as an explicit result of this study.

## A. Conclusion

After analyzing the lyric of Mariah Carey’s songs that entitled are *When You Believe* and *Hero* in chapter IV, the researcher finally takes the conclusions. Regarding the first problem, the researcher want to find out the hyperbole in the lyric of that songs. After took the data, the researcher concludes that the lyric of songs using hyperbole. The researcher found eight hyperbole that contain in both of the lyric of songs. In *When You Believe* lyric, there are four hyperbole. They are: *in our hearts a hopeful song; we were moving mountains; my heart's so full; and but when you're blinded by your pain*. Meanwhile, in *Hero* lyric, there are four hyperbole that contain on the lyric. They are; *there's a hero, if you look inside your heart; and the sorrow that you know, will melt away; when you face the world alone; and dreams are hard to follow*. Lyric of song can be function as a media to learn about hyperbole. Hyperbole that used in the lyric of song, it is useful to make the lyric of song more beautiful and reach, in order to make the hearer or the reader pay attention in that phrase. Based on the theory in chapter II, one of the function of hyperbole itself is to take the people’s attention. Besides, in the lyric of Mariah Carey’s songs that
entitled are *When You Believe* and *Hero*, there is a good message contained on it. It is about motivation in life.

### B. Suggestion

It is interesting to study the language that deal with the literary works. There are many language styles that used in developing on literary work, one of the language style is figurative language. There are some kinds of figurative language, one of them is hyperbole. From this research, the researcher hopes that this research can be as a beginning reference for the following researchers.

Then, the researcher also suggests the further researcher to study more about hyperbole in different opinion and way in the analysis and perception. It would be interesting to analyze other figurative in another literary works. For the education, the researcher hope this thesis can be useful as a source or learning material especially learning about hyperbole. For the students, they can learn more about hyperbole that uses in literary works, that would be fun because they can also learn about the literary work itself. Also for the readers, the researcher hopes this thesis would be useful for the reader that interested with literature and can also read a lot of books for rich the knowledge and skill in literature. The researcher hopes they would not be confused about the hyperbole that used in another literary works.
